“Everything is designed,  
few things are designed well.”

# Rossana Ruggeri

---

Born in Venezuela, in 1990. I started my studies in Graphic Design at the Nueva Esparta University in Venezuela, where I lasted one and a half year before the sociopolitical problems in my country forced me to go abroad.

I arrived to Italy and began studying Industrial and Nautical Design at Genoa's University. During this period I worked as an intern in the graphic design agency PBCom Brand Engine, one of the most influential studios in Genoa.

Looking forward to continue my passion in graphic design, I moved to Altos de Chavón School of Design in the Dominican Republic, where I'm presently studying and looking forward to grow as a professional designer.
